

Virtuoso

Virtuoso wines enclose all the intensity of a land to be discovered, where the warm sea winds design unique landscapes and where the horizon colours the imagination.

PRIMITIVO DI MANDURIA DOC

Grapes:
Primitivo.

Vineyard:
Selected vineyards located in the Puglia region, in the province of Taranto.

Harvest:
All grapes are harvested by hand in early September.

Vinification:
The grapes are vinified with controlled temperature maceration followed by a soft pressing of the must at the end of fermentation. The wine is aged for about four months in French oak barrels.

Winemaker's notes:
From the sunny Puglia region, Virtuoso Primitivo di Manduria is full and tasty, with soft tannins and sweet cherry notes. Complex and sophisticated, thanks to the aging in oak barrels, this is an elegant wine to enjoy with games, aged cheeses, or as meditation wine.
